About the Competition

The Circular App Innovation Challenge 2026 is an online district-level innovation challenge organized by Vignesh Technologies for school students across Virudhunagar District. This competition provides students an opportunity to identify real-world problems, develop innovative app ideas, and showcase their creativity and problem-solving skills using the Circular App. The competition focuses on:

- **Innovation**
- **Creativity**
- **Problem-solving**
- **Presentation skills**

Eligibility

- Students studying Classes 6 to 12
- Open to all schools across Virudhunagar District
- Individual or team participation
- Maximum 2 students per team
- Each participant/team must have a mentor teacher
- No limit on the number of teams participating from a school.
